

Proven Excellence in Senior Living

Outrageous Service from DSSI

DSSI isn't just a technology provider – we're a partner you can depend on. Throughout the integration process and for the duration of your relationship with DSSI, you'll have a team dedicated to providing you with unparalleled support to help you meet your strategic and operational procurement needs.

- **Dedicated Account Support**

From our front-line Customer Advocacy team to your dedicated account manager and everyone in between, you can count on us to help you increase compliance and drive down your costs.

- **Price & Contract Verification**

Our Exception Management team price-validates every invoice that goes through DSSI against your contracts. *Guaranteed.*

- **Premier Supplier Network**

Access to hundreds of suppliers not only offers supply chain stability, but it also makes automating more categories fast and easy.

- **Integration Services**

As you bring on new suppliers, our integration team will help you with automated tools to streamline the process.

- **Supply Chain Expertise**

Whether you're driving adoption or utilization, we'll provide you with best practices along with system maximization tools and helpful programs. Additionally, we have category experts you can engage for help with sourcing, contracting negotiations, procurement, analytics and more.

- **Procurement Community**

One of DSSI's strongest assets is our collective drive toward innovation. Enjoy access to the procurement community to share industry knowledge, collaborate with peers and help shape future DSSI spend management innovations.

Contact DSSI today to discuss how we can save your organization 10% annually!
