Discover the Direct Supply®
Family of Brands
Designed Specifically for Senior Living
The ideal solutions, designed for Senior Living
Available exclusively from Direct Supply®

Only one family of brands offers products designed exclusively for your unique Senior Living environment — the Direct Supply family of brands.

Every product offered has been engineered specifically for you, taking your caregivers, staff and residents into account. We’ve put our 25+ years of Senior Living experience to work for you, designing intelligent and intuitive products, including several one-of-a-kind innovations you can’t find anywhere else.

And to help your budget stretch further, Direct Supply’s branded products offer you the same or better quality as other industry-leading brands, often at significantly lower prices.

Discover the ideal solutions for your community, from the Direct Supply family of brands.

page 10

Direct Supply® Textiles
Comfortable, durable linens and garments
page 11
Keep your residents healthy and comfortable with healthcare products designed just for them. The cornerstone of the Direct Supply Panacea lineup of products, our pressure-management mattresses and cushions provide superior resident comfort in a variety of therapeutic support levels. And your residents can rely on Panacea beds and wheelchairs to provide safe and secure support and to help enhance independence and well-being.
Why choose Panacea products?

- **Designed specifically for Senior Living**
  We combine our 25+ years of experience with candid feedback and ideas from our customers to develop the perfect blend of features and functionality.

- **Priced for Senior Living affordability**
  Panacea products include the features you need – without the costly extras – to help ease the burden on your budget.

- **Bringing innovations to Senior Living**
  We continuously improve our Panacea products to meet the ever-evolving needs of Senior Living staff and residents.

Direct Supply® Attendant®

The ideal blend of quality, reliability and the features you need to provide superior resident care.

Direct Supply Attendant clinical equipment offers outstanding caregiver convenience thanks to fast and accurate readings in easy-to-use product designs. And you can help keep your residents safer thanks to the durable dependability of Direct Supply Attendant fall management products.
Why choose Attendant products?

■ Simplified design for Senior Living
  Intuitive interfaces, clearer readouts and no complicated training makes things easier for you and your staff.

■ Senior Living reliability and accuracy
  Rely on the accuracy and consistent performance of Attendant products to provide the superior quality of care your residents deserve.

■ Priced for Senior Living affordability
  Rest assured, with Attendant products, you’ll never have to compromise on quality, safety or usability – you can have it all, for less.
