

Save Up to 10% on Your Procurement Costs!

DSSI delivers supply chain eBusiness solutions built on years of experience in Senior Living. With DSSI, you can experience web-based spend management, procurement and transaction clearing services that are customized for you. Our eBusiness system enables complete procurement automation and gives you the tools to optimize your profitability and efficiency.

DSSI connects you to hundreds of major suppliers through a single ecommerce system, so you can enjoy more efficiency, more visibility, and more cost savings.

Benefits of DSSI:

- Increase compliance savings by 3% with enhanced controls and spend analytics
- Get the prices you've agreed to with contract price matching and eliminate the average error rate of 14%
- Eliminate the costs associated with manual invoicing and paper processing through procurement and transaction automation
- No software or hardware to install – network is web-based
- Customized product catalogs and formularies

Also, with DSSI you will be part of an exclusive network of Senior Living providers, including the largest organizations nationwide.

Contact DSSI today to discuss how we can save your organization 10% annually!
