

Direct Supply 2019 Social Impact Summary

Community and Neighborhood Partnerships, Causes & Events

As a dedicated team that cares, our Direct Supply Community Involvement Team harnesses the energy of our company and our “Champion Partners” (employee owners) to provide service involvement and leadership opportunities to benefit our community.

Community & Neighborhood

- Community Caring initiative
- Neighborhood support (includes non-education-related support for under-represented youth)
- “Champion Partner-Passionate” community support of charitable organizations, causes and events

Education

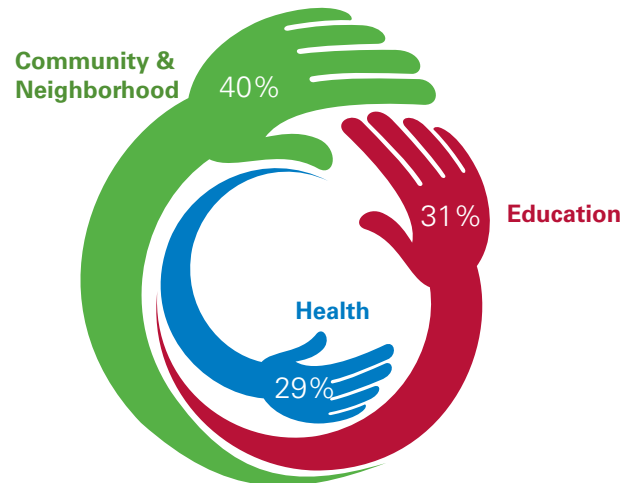

- Future Leaders initiative (serving STEM programming and local under-represented youth)
- “Champion Partner-Passionate” educational organizations, causes and events
- Education-focused programs and organizations that benefit Direct Supply Partners, their families and our community

Health

- Elder Emphasis initiative (serving local senior communities and elder community organizations)
- Health and hunger initiatives for under-represented youth
- “Champion Partner-Passionate” causes and events in health organizations
- Health-focused programs and organizations that benefit Direct Supply Partners, their families and our community
