KN95 Disposable Mask

Item: [#8VK51](#)

Quantity per box: 50

* Intended for use in general healthcare settings,
not intended for surgical settings

It was great to know we could rely on Direct Supply to step up and supply masks for our front-line staff. No need to wrangle vendors or pre-pay for supplies that might not show and have to chase product availability. Now when I need masks, it's one click and I'm done.

Thank You!
