

DIRECT SUPPLY
Community Involvement

Growing and strengthening Direct Supply, our Partners, and Communities through service, resources, and engagement.

Impact Summary

Community and Neighborhood

Caring for and improving the lives of the most underrepresented members of our community and neighborhood.

Education

Developing a true education pipeline for under-represented youth, with a focus on STEM and health education.

Health

Fighting food insecurity and providing health-focused resources for our employee-Partners.

Racial and Social Justice

Working to achieve racial and social justice in our communities and at Direct Supply, in collaboration with our Inclusion and Diversity Team.

Serving Seniors

Supporting community partners who are doing the most impactful work serving seniors in our community and beyond.
