IMPACT**

EXPLORE QUICK-SHIP FURNITURE FOR EVERY ROOM

Experience the Possibilities of a Quick Refresh

*Order with confidence:
the majority of Quick-Ship
products ship in 10-15 days.*

Stylish and functional Senior Living furnishings can help you attract prospective residents and their families. In addition to improving marketability, new furniture can help elevate everyday experiences for your residents. With our quick-ship offering, you don't have to worry about complicated ordering processes or long lead times often experienced when refreshing furnishings.

Achieve a makeover in a month with the following curated selection of furniture with quicker lead times, or connect directly with one of our Senior Living design consultants to find the right solutions for your unique community.

Pictured: Maxwell Thomas® Katrineholm High Back Chair. Find details on page 21.

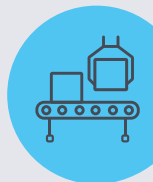

How Quick-Ship Works

Follow a product's journey from our manufacturers to your door – Learn what you can expect when ordering with Direct Supply's Quick-Ship program.

01: SELECT

Browse through our Quick-Ship furniture products to discover a wide range of carefully curated pieces. Once you place your order, the product is fast-tracked and our manufacturers will get to work making your product.

02: PRODUCE

Direct Supply's quick-ship program guarantees that your order is sent to the front of the production line, allowing for expedited lead times. Our quick-ship fabrics are guaranteed to be in stock to avoid delays.

03: SHIP

Congratulations on becoming the proud owner of a Direct Supply® Quick-Ship product. Kindly consider the shipping time in addition to the advertised quick-ship lead times. Thank you for shopping, and we hope you think of us next time you need more furniture fast.

Find our full selection of quick-ship furnishings and view product details at directsupply.com/quickship

Beneficial Benches

Sleek Maxwell Thomas® benches offer superior durability and support. Faux-wood finishes provide ultra-durability, perfect for high-traffic areas.

Benches offer vital touch down spaces in long corridors. Residents are encouraged to stop and rest while walking a hallway – often times keeping them walking for longer instead of relying on a wheelchair.
