200+ Healthcare Organizations are Already Cutting Costs with DSSI Platform

Best-in-Class Procurement Solutions

Achieve unparalleled cost savings, supply chain optimization and contract compliance with the Direct Supply® DSSI® procurement platform and services.

DSSI Platform connects care providers directly to their unique supply chain, creating a personalized shopping experience that's optimized for their organization. You pick the suppliers and products, then your staff shops from your approved product selection with all your savings and rebates applied.

DSSI Procurement Services is Healthcare's only comprehensive AI-Driven Spend Management Solution. Whether you're looking for full spend management consultation or simply augmentation of your existing staff, DSSI Procurement Services can help. On average, our **Procurement Services customers save an incremental 10% each year**, on top of the savings generated by the DSSI Platform.
